Subject: Response to Resolution No. R-240-16 Establishing County Policy that Proposed Exhibits in the Stephen P. Clark Center Secured Lobby Area be Approved by the Board of County Commissioners

This report is being provided to the Board of County Commissioners (Board) pursuant to Resolution No. R-240-16, adopted by the Board on March 8, 2016. The resolution directed the Mayor or his designee to present, through a sponsoring County Commissioner, any proposed exhibit for the Secured Lobby Area of the Stephen P. Clark Center (SPCC) for Board approval prior to installation of the exhibit. The Secured Lobby Area was defined as the portion of the lobby enclosed by gates during weekends and non-regular working hours. The resolution also expressed the Board's desire to limit displays in the Secured Lobby Area to those that are cultural, civic, and/or artistic in nature.

The resolution was amended by the Board to request that a schedule be provided and any additional exhibits requested thereafter be provided to the Board individually. Attached is a report which provides the schedule of SPCC exhibits in 2016.

This report will be placed on the next available Board agenda pursuant to Ordinance No. 14-65. Should you require additional information, please contact Tara C. Smith, Director of the Internal Services Department, at (305) 375-5893, or me directly.
